

## About us

## Welcome

Dulux colour can transform your surroundings and lift your spirits, so why not make a colourful change today? Discover different ways colour can be used to carve out serene nooks throughout the home, how a simple lick of paint can change the way you think about your kitchen and how to create a kids room you can all agree on (it is achievable!). We've packed our website full of helpful information to help you every step of the way; from inspirational room sets, hints and tips on colour schemes to getting the right product for your room!

P.S. We love hearing from our readers, so if you've got a story about a colourful change that you have made, strike up a conversation with us at [Facebook.com/DuluxIreland](https://www.facebook.com/DuluxIreland) [1]. We look forward to hearing from you!
